

**Remarks**

**1. Introduction**

Claims 1-35, and 37-104, and 107-120 are pending.

**2. Double Patenting**

After consultation with the Examiner, Applicants submit additional terminal disclaimers for the present case. Specifically, Applicants submit a terminal disclaimer to overcome the rejection based on 10/684,043; 10/684,152; and 10/684,208. Applicants note they resubmit the terminal disclaimer for 10/684,208 in order to terminally disclaim over a pending application (instead of a prior patent as was used for the previous terminal disclaimer).

In total, Applicants have submitted terminal disclaimers to overcome the rejection based on 10/684,043; 10/684,152; and 10/684,208.

**3. Conclusion**

The Examiner is invited to contact the undersigned attorneys for the Applicants via telephone if such communication would expedite this application.

Respectfully submitted,
